

Dear 

Thank you for entrusting PeaceHealth St. Joseph Medical Center with your care. Your health and that of your loved ones and neighbors is our top priority. It is an honor to be able to deliver high quality local care to everyone in Whatcom County, the place you call home.

Like you, each of PeaceHealth St. Joseph's patients has a unique health care journey. Yet one common thread connects every experience at PeaceHealth St. Joseph: **the skilled, compassionate care patients receive is made possible by the generosity of people in our community who support PeaceHealth.**

PeaceHealth remains committed to the wellness and safety of you and your loved ones. You can see this dedication in the efforts of our medical teams as they work around the clock to provide extraordinary, compassionate care for all.

Today, you have an opportunity to strengthen these efforts by joining our family of PeaceHealth supporters. **Thanks to a matching gift from a generous donor, your gift will be matched dollar for dollar!**

This means **your gift** will work *twice as hard* and go *two times as far* to elevate care in Whatcom County by supporting PeaceHealth St. Joseph's new Institute for Nursing Excellence.

Funded entirely through charitable gifts, this vital initiative paves the way to more lives changed, more lives saved — and healthier days ahead right here at home. Designed to help nurses thrive personally and professionally, the institute offers advanced tools and educational resources that empower our nurses to become leaders and innovators in their field.

**Please consider making a contribution in appreciation of the care you received at PeaceHealth St. Joseph. Your gift will be matched and your impact doubled to support life-saving care in Whatcom County.**

Again, thank you for entrusting PeaceHealth St. Joseph with your care. I hope you will join our generous community of supporters — kindhearted neighbors who wish to pay it forward and invest in the well-being of our entire region.

The power of your generosity will allow us to continue providing excellent care for you, your family and friends, and our Whatcom County community, today and far into the future.

Best wishes for your health,

Amber Asbjornsen  
Chief Philanthropy Officer, Northwest Network

P.S. When you make your contribution, you can choose to honor a special caregiver who made a positive impact on your patient experience or that of a loved one. **Please respond today when your gift will be doubled because of the match.** And thank you for choosing us to be your partner in care.
