L Remarks:

Dispatch- E3 was dispatched to a outside fire.

Arrival- On arrival we found no signs of a fire but was met by the reporting party who informed us that the fire was up the trail.

Actions- Investigate, extinguish, inform.

Investigation-We found a large fire pit approximately 1/4 mile up the trail. Several teenage boys were standing around a burning pallet and a log watching the sunset. The fire was close to the bushes. The young men did not have any means of extinguishing the fire.

Disposition- E3 extinguished the fire and informed the group of the significant fire risk with sustained wind and no way to prevent fire spread. E3 cleared, the group was going to remain on scene and ensure that the fire did not rekindle.
